

Raynham Center Water District

280 Pleasant St. / PO Box 160

Raynham MA 02767

April 17, 2020

Covid-19 NOTICE

Due to the Covid-19 pandemic, the Raynham Center Water District has had to make a number of changes to help ensure the safety of the public and water district employees. Please note that until state of emergency has been lifted by the State of Massachusetts the Water District will be making the following changes:

Daily Operations:

The district office will **not** be open to the public. Employees will be in the office from 8AM until 12 Noon daily to answer phones and answer any questions you may have. The district will have employees available at all times for essential work and emergency service repairs. For everyone's safety, no non-emergency work will be scheduled that requires our staff to interact with the general public. If you have questions about this requirement and what we can do please contact the district office at 508-824-0020. If you have an emergency please contact the Raynham police or fire department who can reach the on-call person when the office is closed.

Paying Bills:

If you need to pay a water bill while the office is closed to the public, there are two options to pay. You can send in your payment by US Post Office, or you may leave your payment in the drop box located at the office at 280 Pleasant Street. The drop box is located to the right of the door and is collected daily. If you choose to use the drop box for security reasons please do not leave cash.

Annual Meeting Date:

The Water Districts annual meeting is typically schedule for the second Monday in May, this year May 11th. Due to the ongoing restrictions to public meetings the District will be postponing the Annual Meeting to a later date. Once a date and location is set, or if we receive guidance from the state as to how we should proceed, a notice will posted it on the Districts website <http://raynhamcenterwater.com/>.

General Notices

Consumer Confidence Report

The Consumer Confidence Report for the Raynham Center Water District for the calendar year 2019 will be posted by July 1, 2020 at <http://raynhamcenterwater.com/>. Customers requiring paper copies can download a copy from the district website or by calling the district office at 508-824-0020.

Annual Sprinkler Use Restrictions

People are reminded that the ODD/EVEN lawn sprinkling restrictions begin on May 1st 2020 and continue through September 30th 2020. As a reminder please be careful setting your irrigation timers to take into account the odd/even restrictions.

Thank you for your help and understanding in these challenging and trying times.

Respectfully,
Raynham Center Water District
